

## WICKETED BAGS

### ORDER CUSTOM SIZES

There's never been an easier way to price, order and secure custom wicketed bags. We can help you create bags for fresh produce, baguettes and beyond; we can even quote any printing needed all on the same quote.

Wicketed bags have many parts; these are the specs you need to provide to get accurate quotes quickly.

1. Bag Dimensions: width, length and gauge
2. Bottom Gusset depth if needed
3. Lip Length
4. Bag Release Type: perforated lip or tear starts
5. Wicket Length of 3" to 6"
6. Wicket Width (space between wickets) 3"-9"
7. Cardboard Header: front, back, both or none
8. Bags Per Wicket: 100-350 bags

The custom bag is now complete! We can process your immediate custom quote or add your graphics, text or even just a placeholder, for a fast quote that includes an accurate technical drawing for proofing.

### BUY FROM STOCK

#### POLYETHYLENE WICKETED BAGS

Made from 100% virgin Low-Density Polyethylene with a 1.5" lip. These are mounted for manual or automatic loading, 250 per wicket on 5" wickets. All bags are heat sealable, feature a side weld and bottom gusset construction and meet FDA and USDA specifications.
